City Council to Discuss the Lavon Code of Regulations (Teske)
 Mayor Teske explained that the document represented changes that were discussed 6+ months before and changes that he, Mayor Pro Tem Kane and CS Wess had discussed. Mayor Pro Tem Kane noted that COO Jones had contributed greatly to the process of creating the Code of Regulations. Mayor Teske went on to explain that these alterations would change the City from the City Manager to Aldermanic / Mayor Form of Government and that the Mayor position would no longer be a ceremonial position. Mayor Pro Tem Kane suggested that a "job description" be given with ballot applications during the election process. The Council then went page by page and discussed the alterations, made suggested changes and corrected grammatical errors.
